

Now however, comes this legislation. I really worry that we are going down the road to where the small investor is the last thing we think about, when they should be among the first.

We are at a point in time when Members of Congress and others are talking about privatizing Social Security. That will lead to even more unsophisticated investors and hundreds of billions of dollars going into the marketplace. And yet we continue to talk about reducing investor protections.

Another question I have is, are we now saying to the States that we in Washington, DC, know better than the States what cases should go through State courts and which should not. Are we next going to tell the States that they can't hear real estate cases? Are we going to tell them they can't hear tobacco cases? What comes next?

I never thought I would see the day when my Republican colleagues would want to dictate from on high in Washington, DC, what State law should be.

The conference report on S. 1260 is a solution in search of a problem, and I strongly oppose it.

Mr. DINGELL. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. BLILEY. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Virginia (Mr. BLILEY) that the House suspend the rules and agree to the conference report on the Senate bill, S. 1260.

The question was taken.

Mr. KANJORSKI. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 5, rule I, and the Chair's prior announcement, further proceedings on this motion will be postponed.

The point of no quorum is considered withdrawn.
